

Human Resources & Workplace Standards

PEOPLE & CULTURE • OPERATIONS GUIDELINES

1. Remote & Flexible Work Policy

Employees are supported with hybrid work arrangements. Remote team members must maintain secure connections when accessing enterprise systems.

2. Professional Development & Learning

Continuous learning initiatives are sponsored for engineering and technical teams to upgrade skills in modern AI systems, machine learning, and infrastructure management.

3. Anti-Harassment & Equal Opportunity

We are committed to maintaining a safe, inclusive, and collaborative working environment free from harassment or discrimination.
